## Our Vision

### We believe Good Design is Timeless

That is why we bring back only Top Icons of Polish Mid-Century Design, which have already passed the test of time and have proven themselves to be timeless. Authentic icons of the 60s, made with premium quality materials and a contemporary touch. Our furniture is finished with utmost care to ensure top-shape longevity. Above all, we believe that our work is not only about the product or the price tag, but also about how things are done. That is why we put great effort into making our activity sustainable: eco-friendly and socially conscious.

## Our Values

### We care about:

**Nature:** Our philosophy is to live in harmony with nature. We have, therefore, decided to invest in the future of our planet, one tree at a time. For every Armchair sold, one Tree gets planted. This program helps reforest the land and it's all thanks to you!

**Quality:** Our furniture is hand-finished with utmost care by experienced craftsmen. We use only the best, most durable materials. Our solid wood is aged for a minimum of 7 years prior to assembly to ensure durability.

**People:** Our products are manufactured exclusively in Poland; in modern, safe plants; by experienced craftsmen with whom we have worked for years.

**100% Made in Poland:** Our products are manufactured exclusively in Poland; in modern plants. Buying from us, you are sure to give people safe work and fair salary.
